

BARRY PARTINGTON OF FARNHAM

CHANCE OF A LIFE-TIME TO OBTAIN PROVEN STOCK

BRICOUX - K.O.NIPIUS - DESMET MATHEUS

IN 1979, IN A VERY HARD RACE FROM BERGERAC, 444 MILES, I WAS THE ONLY FANCIER IN THE BERKSHIRE & THREE BORDERS COMBINE TO CLOCK THREE BIRDS ON THE DAY. OF THE 3,417 BIRDS COMPETING, ONLY 20 WERE CLOCKED ON THE DAY IN THE ENTIRE COMBINE AND I HAD THREE OF THEM TO WIN 1ST, 2ND & 5TH CLUB, 2ND, 5TH & 11TH FED AND 5TH, 11TH & 20TH COMBINE, VELS 965, 950 & 910. THE LAST BIRD WAS CLOCKED AT 9.30 P.M.

IN 1980, FROM BERGERAC, I ACTUALLY CLOCKED 10 BIRDS ON THE DAY, MOST OF THEM COMING IN A RAINSTORM. I HAD A FURTHER 22 BEFORE 6 A.M THE NEXT MORNING.

I HAVE WON OVER 120 DIPLOMAS IN THE 1978, 1979 & 1980 SEASONS AND NEARLY EVERY BIRD IN MY RACING LOFT HAS WON FOR ME. ALL OF THESE BIRDS ARE FOR SALE — I AM NOT KEEPING ANY OF THEM BACK.

ALL OF MY K.O.NIPIUS BIRDS WERE OBTAINED FROM MR. McDONALD OF FRASERBURGH WHO HAD THE ORIGINALS DIRECT OVER 14 YEARS AGO. THE BIRDS I PURCHASED FROM MR McDONALD ARE FROM HIS BEST STOCK PAIRS.

THE BRICOUX ARE FROM MR. & MRS. JONES OF FLEET WHO HAD HIS ORIGINAL STOCK FROM DR. ANDERSON SOME 26 YEARS AGO. AGAIN, ALL THE STOCK BIRDS ARE AVAILABLE FOR SALE — EVERY BIRD MUST GO.

Jim has written the following:- "Barry came to me when he was re-starting in pigeons and brought some of my best stock birds, some which had flown Palamos, also some twenty young birds which were the pick of my loft. You will see by the performances published that Barry has done very well in the fancy. I personally think that in 2 - 3 yrs time he would have made a very good long distance fancier. The Red Pieds he is breeding are Bricoux x K.O.Nipius cross and, in my opinion, these are the best feathered birds I have handled to date." - Jim Jones (Mr. & Mrs Jones of Fleet.)
